This year the club has become more
involved in projects for the student body.
The Society maintained a paperback book store to
offer a wide variety of literature to students. Also, a
Careers Day was planned to present a program of representatives
of various careers to aid students in the selection of a
career. These activities show that the club is
becoming more actively involved with the
student body and is to exemplify
the four ideals of the

MR. SPRAGUE gives us easy lessons in salesmanship.

This year's magazine drive was the most successful in the history of the school. Profits added up to $1369.69 which were used by the student council for their many projects. This year's managers were Rick Johnston and George Briggs. With the help of Jim Briggs and Janet Hope, they handled a vast number of problems with skill and speed. This year's high salesman was Mike Hanley.

Random Thoughts

What am I going to do in the United States for one year?
I hardly know their language and customs!
These were my first thoughts
when the A.F.S. chapter
in my country told me
that I had the
scholarship.

When I arrived in Florida,
I was really afraid, but
then all those "bad"
feelings disappeared
because I found that
American people were
exactly like me.

But later the trip and all the
A.F.S. students from different
countries, whom I met in
Miami, made me realize
I wasn't alone.

I was driven to Maine
and was welcomed by the
most perfect and lovely
family, the Hanleys.

PRISCILLA HOUSE AND HER BRAZILIAN FAMILY

Really
there
is
not
too
much
difference
between
Uruguay
and
the
United States.
Now
I
can
realize
that
the
people
and
even
the
customs
are
so
much
alike.

Of An A.F.S. Student

My first weeks were very difficult because everything
was so new to me. It is always difficult to
place one's self in something completely
unknown and to understand different
customs and ideas.

BELOW: THE FERNANDEZ FAMILY

But then
weeks and
months
passed,
and my life
was happy
because I
could under-
stand that
it doesn't
matter in
what country
you live
or what
language
you speak:

The
best
part
of
my
life
at
Lincoln
was
the
tremendous
school
spirit
which
I
experienced.

all people are the same.

I
also
enjoyed
very much my
year at Lincoln
A c a d e m y.

I
am
proud to
be one more of
the graduates of
t h i s s c h o o l .

I want to return to my country, but I
also want to stay here in Maine with
My American family,
My friends,
And with the lovely snow!

This is my real problem: I want to be in both places at the same time. This is and always will be one of my best and most wonderful years. I will never forget my experience as an A.F.S. student. The only thing that remains is to say
Thank you very much
to everyone who has made this year possible.
